

EDUCATION IN FINLAND

LEARNING ABOUT SCHOOLS AND EDUCATION SYSTEM

- Less traditional classroom teaching
 - Integrated themes, projects...
- More learning according to student's individual study plan
 - Internet and learning
 - Curiosity
 - Building self confidence and tolerance
- Autonomy in the school
- Teaching is a respected profession
- Free meals and materials

CULTURE IN FINLAND

- Innovation
- Design
- Music
- Visual Arts
- Architecture

PRACTICAL APPLICATION

- Power point about Finland, where the students ask questions in English
- Interdisciplinary school Project implying different subjects
- Students look for information about teenagers' life in Finland

DISSEMINATION

- Publish an article or interview in the local mass media and our digital school magazine
- Upload Finland information in our school web:
 - ieschabas.edu.gva.es/index.php/es/
- Seminar about all the Erasmus+ experiences
- Video about our Finnish experience and send it by whatsapp

PARTICIPANTS:

- Ana Signes Reus: ana.signes@ieschabas.org
- Dolors Alacreu Fluixà: dolors.alacreu@ieschabas.org
- Julia Gozávez Pérez: julia.gozalvez@ieschabas.org
